My Green Lab

Jacqueline Drumheller
Global Sustainability Program
Manager
Bio-Rad Laboratories

Libby Titus
Senior Specialist,
Environmental Health & Safety
Novo Nordisk

EVERGREEN
BIOSCIENCE INNOVATION

Questions

- How might someone get started on making their lab more sustainable? (Junior vs. Senior levels)
- What are the drivers for a sustainability program?
- How can we demonstrate ROI for the organization?
- Are only big companies setting sustainability goals?
- Are there examples from other life science hubs?
