Thanks for your interest in volunteering

Volunteer Benefits:

- 1) Great networking opportunity.
- 2) Work increments of **4-hour shifts**; attend conference for equal number of hours.
- 3) Complimentary food & beverage that corresponds with your work shift. Please plan to eat before or after your shift.
- 4) Listen to the leaders of our time in the Life Sciences sector.
- 5) It will be fun!

Please Note:

Specifics of your volunteer shift and responsibilities will be e-mailed to you in advance.

Submitting an application to volunteer does not guarantee acceptance. All applications will be reviewed and volunteer positions assigned at the sole discretion of Life Science Washington.
